

## *Permission to Photograph*

\*\*\*\*\*

St. Thomas Aquinas School produces a live television program each week. During this program we may show highlights of events and classroom activities to other students within the school. Also, many classroom pictures are taken during the year for publication in our yearbook or in local papers.

Our local newspapers provide us opportunities to place good news about our students in the paper. This may include student names in reference to awards, activities, etc. We also display student work and/or photographs at our Curriculum Fairs, Open Houses, Art Exhibitions or STA websites. In order to allow your child to receive public recognition in these events, we ask that you complete this permission form.

### **Please check the appropriate box:**

I grant permission for my child to be photographed and/or his or her name to be used for *public acknowledgment of accomplishments* and for the purpose of *positive reporting only*. This includes in-school publications and productions, class pictures, sports team pictures, yearbook, St. Cloud in the News, etc,

I DO NOT grant permission for my child to be photographed. This means that your child may not be included in any class or group photos, cannot be publicly acknowledged for any event or activity in which they may participate and cannot take part in our in-house television production studio.

**STUDENT NAME:** \_\_\_\_\_

**PARENT SIGNATURE:** \_\_\_\_\_

**DATE:** \_\_\_\_\_
