

# Recycling Information

St. Thomas Aquinas Catholic School is dedicated to doing our part in the effort to keep our planet green. We offer many recycling programs which help both our precious environment as well as the financial success of our school. These no-cost fundraisers are an easy and effective way for each and every person to make a difference to our world and our school. Simply send your recyclable items to school where they will then be distributed to participating organizations which will help us fund important school projects.

**PLEASE BE SURE TO WRITE NAME ON ALL ITEMS TURNED IN.**

## Recycling Fundraisers

Bins are located in the school cafeteria and the church Social Hall for the following items:

Collect labels from any Campbell's products. These labels are redeemable for supplies for the school.

For more information and a list of participating products please visit their website at [www.labelsforeducation.com](http://www.labelsforeducation.com).

Collect Box Tops from any General Mills product or participating products with this logo. Special sheets are available to keep track of your labels and can be turned in once filled, or you can just send these Box Top labels in as often as you wish. The money earned from these labels goes toward school & classroom materials. For more information and a list of participating products please visit their website at [www.boxtops4education.com](http://www.boxtops4education.com).

Collect labels from participating Tyson bags and boxes. Each label collected is worth 24¢ and we can earn up to \$12,000 to use for anything from books or computers to building improvements, or just about anything our school needs. For more information and participating products visit their website at [www.ProjectAPlus.tyson.com](http://www.ProjectAPlus.tyson.com).

By sending in your used cell phones, laser & inkjet cartridges, laptops, DVD movies, game systems & games, PDAs, iPods, cameras and gps systems we can earn cash to use for our school in any area needed. For more information and a list of recyclable items please visit their website at [www.cartridgesforkids.com](http://www.cartridgesforkids.com)
