

ST. THOMAS AQUINAS CATHOLIC SCHOOL SERVICE HOUR COMMITMENT 2008/09

Families of students attending St. Thomas Aquinas School are responsible for sharing a minimum of 20 hours of their time and/or talents with the school community. This is a requirement for each family, regardless of the number of students within the family. Any one in the family may contribute hours toward the requirement, providing the activity has been designated as an approved activity.

This service is to be done during the school year or during the summer months prior to the start of school. The service can be fulfilled by active participation in school events, volunteering, coaching, chaperoning, assisting in maintenance projects, soliciting donations, etc. Any activity that involves interaction with students or finances requires a background check through the Diocese of Orlando. Fingerprinting opportunities will be made available throughout the year to accomplish this.

A list of suggested activities will be made available through the Service Hour Coordinators of STAPA, and service opportunities will be announced through newsletters and flyers throughout the school year.

Each family is responsible for logging their hours into the Service Hour Book, located in the school office.

Families unable to complete their hours within the required time will be responsible for paying \$10 for every hour not worked. The due date for payment is May 15, 2009.

As a parent of a student or students at St. Thomas Aquinas School, I understand that I am responsible for sharing a minimum of 20 hours of my time and talents with the school community. I also understand that if I do not complete my 20 hour obligation during the school year, I will be billed and be responsible for paying the school \$10.00 per hour for each service hour not completed. The amount will be considered an outstanding financial obligation until the account is brought current.
